Additional Services

Practical add-ons to sharpen call handling and turn everyday connectivity into a better guest experience.

BUSINESS MOBILE APP

Take your landline with you — available as an add-on to any HISO package.

£15 PER MONTH

- Answer the Landline from Your Mobile
- See the Original Caller's Number
- View Incoming and Missed Calls
- Call Out as the Venue Landline
- Keep Your Mobile Number Private
- 2,000 UK Landline & Mobile Minutes

PREFER SOMETHING SIMPLE?

Forward out-of-hours calls to a UK mobile without an app. The mobile can see either the venue number or the original caller.

CAPTIVE WI-FI PORTAL

Turn guest Wi-Fi into a useful customer marketing tool.

£25 PER MONTH

- Branded Guest Login Page
- Capture Customer Email Addresses
- Simple Access for Customers
- Separate Guest and Business Networks
- Managed Portal Configuration
- Support Your Venue Marketing

ADDITIONAL YEALINK HANDSET

Handle multiple calls at the same time in busy venues.

£18 PER MONTH

A practical extra handset for front-of-house, bar or office use.
